

## SAVES DAUGHTER

Advice of Mother no Doubt Pro-  
vents Daughter's Unhappy End.

Ready, Ky.—"I was not able to do  
anything for nearly six months," writes  
Mrs. Laura Brasher, of this place, "and  
was down in bed for three months.  
I cannot tell you how I suffered with  
my head, and with nervousness and  
weakness."

Our family doctor told my husband  
that he could not do me any good, and he  
had to give it up. We tried another doctor,  
but he did not help me.

At last, my mother advised me to take  
Cardui, the woman's tonic. I thought  
it was no use for I was nearly dead and  
nothing seemed to do me any good. But  
I took seven bottles, and now I am able  
to do all of my work and my own  
washing.

I think Cardui is the best medicine in  
the world. My weight has increased,  
and I look the picture of health.

If you suffer from any of the ailments  
referred to above, get a bottle of Cardui  
today. It is safe, and it will help you  
in many ways. It has helped so  
many thousands of other weak women  
in the past 50 years.

At all druggists.

## DAY SEASON TICKET SALE DECLARED A COMPLETE SUCCESS

Albuquerque Comes Forward  
Nobly at Call of Fair Man-  
agement and Exceeds Expec-  
tations on Ticket Purchases.

HEADQUARTERS SOON TO  
MOVE TO FAIR GROUNDS

That the Big Show Is Close at  
Hand Evidenced by Swift  
Movement at Fair Offices;  
Big Football Game Monday.

The campaign for the sale of day  
season tickets to the state fair came  
to a close in a burst of enthusiasm  
at the headquarters on North Second  
street last night, and it was the uni-  
mous opinion of those present  
that, in spite of the fact that the  
2,000 tickets had not been sold as  
planned, the campaign had been a  
conspicuous success in having brought  
the people of the city closer together  
in a splendid effort for the success of  
a great public enterprise.

Senator Thomas B. Catron and  
Bishop W. P. Oldham were guests at  
the home products dinner served by  
the ladies of the Presbyterian church,  
and both made excellent talks to the  
big crowd of diners. Many ladies  
were present and joined with zest  
in the singing of the state fair songs  
under the leadership of Rev. E. P.  
Schuler.

Senator Catron received an ovation  
when he promised that he would do  
all in his power to secure more liberal  
legislative support for the fair. The  
senator warned the people of Albu-  
querque, however, that it was up to  
them to keep their hand to the throat  
of the machine at all times and not  
take the position that it was up to the  
state to run it. Other speakers were  
Judge B. S. Rodey, Rabbi Moses  
Berman, Rev. E. P. Schuler, A. H.  
Bishop and Colonel W. P. Metcalf.  
The presentation of a handsome bou-  
quet of roses to Miss Madden, the  
head of the domestic science depart-  
ment of the high school, in recogni-  
tion of the services of the young  
ladies of that department in assisting  
at the luncheons, was a pretty feature  
of the evening.

BIG FOOTBALL GAME  
ON OPENING DAY

The announcement that the annual  
football game between the University  
of New Mexico and the New Mexico  
Military Institute will be played at  
Traction park on Monday afternoon,  
the first day of the fair, has created a  
state of excitement among the fol-  
lowers of the gridiron game over the  
city, and makes it certain that there  
will be a big crowd at the grounds on  
the opening day.

The university and the institute are  
ancient rivals in athletics, and hon-  
ors are almost equal between them.  
The contests have a big following in  
Albuquerque, and they will not lack  
for support when the game is played.  
Last year two games were played, one  
in Roswell and one at Hesperwell field  
in this city, resulting in an even  
break between the two institutions.  
The game this year will be for blood,  
and will stand out as one of the big  
athletic events of the season.

HEADQUARTERS WILL MOVE  
TO THE FAIR GROUNDS

The near approach of the fair was  
brought forcibly to mind this morning  
by the announcement that within  
the next day or two the headquarters

will be removed from the Putney  
building to the fair grounds. This  
change is necessitated by the fact that  
the first of the exhibits will be com-  
ing in within the next few days, and  
the undivided attention of Secretary  
Wiley will be required to superintend  
what is going on at Traction park.  
Already quite a number of race  
horses are stabled at the grounds, and  
the trainers are taking their mounts  
over the track every day in order to  
get them in condition for the various  
events that will be pulled off.

The work of decorating the build-  
ings at the fairgrounds has now been  
begun—another harbinger of the  
early arrival of opening day. The  
grounds will be made gay and attrac-  
tive with bunting and flags by day and  
will be a place of brilliant color by  
night. The attention that has been  
paid to this feature is indicated by  
the fact that it was necessary to begin  
this work nearly two weeks in ad-  
vance of the beginning of the fair.

CLOVIS GIRL BAND  
IS SURELY COMING

The positive announcement was  
made by Secretary Wiley this morn-  
ing that the famous girl band of  
Clovis, will be in Albuquerque all  
during fair week. While arrange-  
ments had been tentatively made  
some time ago for bringing this or-  
ganization to the fair, some doubt in  
the winter had existed until today,  
when news was received from Clovis  
that the young ladies are all  
ready to come. The girl band is  
one of the most unique and one of  
the most excellent musical aggrega-  
tions in the southwest, and it is sure  
to make a big hit with the thousands  
of visitors here during fair week.

"The boys and girls' camp at the  
fair has been officially christened  
"Camp Putney" by Captain J. H. Tou-  
louse, superintendent of that de-  
partment, who has sent out, in true  
military fashion, "General Order No.  
1" to the boys and girls who have  
been designated to represent their  
various counties in the camp. The  
following extracts from the order will  
be of interest to all those who will  
take part:

"It will be necessary for you to  
bring the following articles with you:  
Two or three blankets, two towels,  
soap, comb and brush, knife, fork and  
spoon, lead pencil.

"In attending this encampment you  
will be governed by such rules and  
regulations as the superintendent of  
the department deems proper for the  
comfort, care and pleasure of those  
in attendance.

"The encampment is for both boys  
and girls. Your department will be  
given over to work, the afternoon of  
seeing the fair, and we shall expect  
you, at all times, to be under the su-  
pervision and care of some adult.

Orders will be issued daily and  
posted on the bulletin board, at camp  
headquarters, and at the head of each  
street. You will be required to post  
yourself on the day's program.

"Should you desire to leave camp  
at any time, you will do so only upon  
permission of the superintendent of  
the department."

## NEW PUMP FOUND NECESSARY AT SEWER LIFT

Mayor and Sewer Committee  
Find Equipment at Barelais  
Station Inadequate for In-  
creased Demands of City.

Albuquerque's new sanitary sewer-  
age system, completed only four years  
ago, already has been rendered inade-  
quate in some of its important sec-  
tions by the growth of the city and  
consequent demands on the system.  
Mayor Beahm, City Clerk Hughes  
and the members of the sewer com-  
mittee of the city council visited the  
main sewerage pumping station at  
Barelais yesterday afternoon, and at  
an informal meeting held at the lift  
station decided to recommend to the  
council at the next meeting the pur-  
chase of an additional pump at a cost  
of approximately \$2,000.

For some time it has been recog-  
nized that the two electrically driven  
pumps in the Barelais lift station were  
being overworked. So many new  
connections have been made with the  
main sewer lines served by this sta-  
tion that its capacity became over-  
taxed and the pumps have not been  
giving their best efficiency. Moreover,  
it has been impossible to stop either  
of the pumps long enough for rewinding  
motors or other necessary repairs,  
and the result has been a further im-  
pairment of the efficiency of the ma-  
chinery.

The sewer committee after care-  
fully considering the matter deter-  
mined that an additional pump and  
motor were absolutely necessary and  
that they must be installed at once.  
When this is done the equipment now  
in place will be repaired and the Barelais  
station it is thought will be in  
condition to serve the system for a  
number of years without additional  
equipment cost.

## METHODISTS TODAY ENDORSE FOREIGN POLICY OF THE PRESIDENT

Delegates Unite in Message to  
President Wilson Approving  
His Course in Both Europe  
and Mexico.

CONFERENCE PROVES  
A NOTABLE SUCCESS

Feature of Morning Business  
Session the Report of Rev.  
S. Alonzo Bright Showing  
Progress in New Mexico.

Ministers and lay delegates attend-  
ing the first annual conference of the  
Methodist Episcopal church of New  
Mexico, which last evening opened a  
five-day session at the First Metho-  
dist Episcopal church, today signed  
a petition in which they endorsed the  
foreign policy of President Woodrow  
Wilson, and his attitude in the ques-  
tions that have confronted this na-  
tion by reason of the European war  
and the Mexican revolution. A copy  
of this petition will be sent to Presi-  
dent Wilson today, the keynote of  
which is that "your firmness and  
broad sympathy for humanity, and  
this nation in the paths of peace."

There are approximately 50 min-  
isters, and lay delegates at the con-  
ference, and the number is expected  
to be doubled before this evening's  
session opens. Dignitaries from all  
parts of New Mexico and representa-  
tives from New York, Colorado, Min-  
nesota, El Paso and California are  
in attendance.

At this morning's session of the  
conference Rev. Alonzo S. Bright, su-  
perintendent of English and Spanish  
missions of the state, read his annual  
report in which he pictured the great  
charitable work that is being carried  
on in Albuquerque by the Methodist  
deaconess hospital. Many charity pa-  
tients were treated at this hospital  
during the past year and a total of  
\$7,945.63 was spent in combating the  
"great white plague" at the institu-  
tion. He paid a tribute to the work  
of Dr. C. O. Beckman, pastor of the  
First M. E. church, and asked that  
efforts be made to double the mem-  
bership of the church in the state  
during the next year.

Rev. Fernandez asked the confer-  
ence for the support and continuance  
of the Spanish newspaper, "El Abi-  
godo Cristiano," which he said has  
been doing effective work since its  
establishment some thirty years ago.  
Dr. Bright asked that the local  
"boys' college," established by Dr.  
Thomas Harwood, D. D., and now in  
charge of Rev. H. A. Bassett, be  
added to the "West Point" college for  
Spanish youths.

Reports of the Methodist sanitari-  
um, the girls' school and other in-  
dustrial schools were made, showing  
a prosperous and successful past year.

Bishop McConnell is presiding over  
the conference today. Communion  
was celebrated during the morning  
service, after which the business ses-  
sion of the conference was held.

SUPERINTENDENT BRIGHT  
MAKES INTERESTING REPORT

The annual report of Rev. Alonzo  
S. Bright, superintendent, covering  
the work of the Methodist Episcopal  
church in New Mexico during the  
past year, which was the morning  
feature of the conference. In it he  
outlined the work that has been ac-  
complished by the church from Sep-  
tember 20, 1914, the night the last  
conference closed, until the present  
day.

In his report he pointed out the  
following:  
On Tuesday, September 22, 1914, Rev.  
H. G. Gifford, D. D., pastor at Es-  
peranza, died. Rev. J. A. Bretz of the  
St. John's River conference was ap-  
pointed to fill the vacancy.

Rev. J. H. Johnson was appointed  
to the Clayton circuit. He died dur-  
ing the holidays. Rev. Ray Spotts-  
Dunn, pastor at Clayton, took up this  
work together with his other duties.  
Both charges are reported in good  
condition, with great possibilities for  
the future.

Rev. Henry Van Valkenburg, senior  
in continuous service in this mission,  
was appointed to the pastorate of the  
Twelve church in Arizona since his  
last New Mexico conference.

Rev. E. C. Anderson, A. M. Ph. D.,  
the successful pastor at Las Vegas,  
was elected to the Roswell circuit.

The Rev. Royal A. Simons, D. D.,  
of the Holston conference, was ap-  
pointed to Las Vegas to fill the vacan-  
cy. He has been instrumental in  
building up the church there and its  
respective branches. This is the seat  
of the New Mexico Normal University,  
where Dr. Frank H. H. Roberts is  
doing so much to mold and direct the  
educational forces of this state. A  
new and adequate church building is  
a need which Dr. Simons and his  
board have this matter under ad-  
justment.

The pastor appointed to Chinarron  
in less than a month after our session  
exchanged with the Rev. J. Andrew  
Lewis, D. D., who was reported im-  
mediately to his charge and has been on the job  
every day since.

Folsom and Johnson's Mesa were  
left to be supplied. Rev. R. L. Mat-  
thews has been in charge since Janu-  
ary.

Brother Saville, a one-year proba-  
tionary in the Louisville conference,  
was sent to Maxwell. He had done  
a great year's work there and on Au-  
gust 22, assisted by Rev. L. K. Wil-  
man, D. D., of Ashbury Park, N. Y., I  
dedicated their new chapel free of  
debt.

Rev. E. K. Lockridge has had a  
successful year in the difficult field  
at Springer and on August we had  
the pleasure to assist Dr. Lewis and
